

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 9, 1995

SUBJECT: **SB 454**

This bill, if enacted, will double the penalty for DUI if, at the time of the offense, the person's blood alcohol level is .15% or greater.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures from increased incarceration and increased local government revenues from fines levied and collected from certain DUI offenders. A reasonable estimate of the increase in expenditures and revenues cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.
